Hello Stacie,

I just put the lock box into the mail today.  
I have enjoyed working with you on both of the properties which I sold, which were listed with you! It is refreshing, and greatly appreciated, to work with a professional and honest company like yours!  
Best wishes,  
(You may quote me in a review, if only initials with no name is given)

Jason Bentley (9/17)

We came to you because you did a good job for our friends Tiffani and Frances, You are very smart in responding to needs of the people in an industry that has changed. And it is obvious that most of the folks in your business don't even know it, the train has left the station and they are all standing on the curb.

Good Job, keep doing it your way.

Be with the ones who are most important on the weekends.

Tod Hofman (9/17)

Thanks, Stacie I appreciate what you do and wouldn't hesitate to use your services again.

Take care,  
Kathleen (2/18)

Hi Stacie, You are great to work with also! I will always use you in all my upcoming listings and spread the word on your great service. Thank-You

Sincerely  
Don Dominick (2/18)

You are awesome!! I have let many people know of the great support you offer. Thanks and take care!! Jay Nash (4/18)

Stacie; You are a pleasure to work with. Other than the short delays the buyers had with their financing this was easier than the first time I used your services.

So to all those sellers sitting on the fence, hesitating and wondering can I sell a house by myself. Well I'm living proof that you can. But really, you're not by yourself. You have Stacie leading the way. With all of her forms, guidance and enthusiasm; you can't do this wrong. Stacie will communicate with you by phone, email or fax. I say trust in yourself and trust Stacie.

I have sold a manufactured home and a small 4plex that I used for a retirement investment, with Stacie's help I have saved \$22,130 in real estate commission fees. That's real money that I can see, touch and count. I couldn't be happier. I will recommend "list4flatfee.com" to anyone that mentions selling a house.

Thank you again Stacie!!!! I am a believer.  
Stuart Champion (9/17)

Thank you so much for your time and effort through all this Stacie. I really appreciate the consistently fast response times. I've sold with local agents and done for sale by owner. The service you offer is a dream come true for someone like me; I still can't believe how easy you made this!

Wish you the very best in the future as well Stacie!  
Roger Vi (10/17)

Do you have a place for rave reviews on your site? Like, we are re-naming the great grand kids after you or we started a foundation in your name, something like that?

Steve Chase (12/17)

Thanks Stacie! We've sold 3/3 through you!  
Deb Zach (9/17)

Thanks Stacie. Pleasure doing business with you again.  
Yoland (10/17)

Ms. Whitfield, Sorry for the delay, everything is crazy with the move. House sold for \$400K to Mike and Janie Stephens. Thank you so much for the good service.

Best regards,  
Fred Goodin (11/17)

Thanks Stacie. Absolute pleasure working with you. Will never go back to a standard realtor again!

TJ (3/18)

Thank you! You made this an extremely smooth process and we will definitely recommend you to others!

-Matt and Allie (10/17)

Good Mornin', Yeah it's nice that it's finally over. We took all the proceeds and paid off our new house. It's strange that we sold a house for a large profit and we didn't get any cash. But it's nice to be debt free. Give me a day or two since we're with our grand kids and I will send you a good comment that you can put onto your website. I'll word it so it will help persuade a few people that may be sitting on the fence about selling a house on their own. I know that testimonials are important to some people when they are making a decision. So thank you for your help and I will be back to you in a few days.

Stuart 8/17

Thank u for all u did for me. I have given ur email to a couple of people.

Awesome service!!! 8/17

Hi Stacie,

I am very sorry I didn't notify you that we closed as scheduled. I hope it hasn't caused you inconvenience. My wife Kathleen and I were very happy with the service you provided, in particular your efficiency and responsiveness.

Please let me know if you would like us to provide a testimonial. Thank you very much.

Kind regards, Richard 8/7

Thank you so much Stacie! You have been wonderful to work with. We truly appreciate all your help through this crazy ordeal!

Natika and Wade 8/17

Hi Stacie, so John and I are signing at 5 today. And the buyers are signing at 4:30... I need to make sure i pay you the rest of the money I owe for your services. I have to say this was an amazing experience. I am so glade that we found you and used your service. I cannot believe the amount of money we saved by not using a real estate agent which put more money in our pockets. After this experience I don't see why any one wouldn't do the exact same thing we did. Thank you so much for guiding us through this hole thing. You have no idea how much we appreciate it.

Thank you

Nealie and John Heineken 7/13

Hi Stacie,I see John emailed you today. I'm just confirming we are closed and recorded. Sold to buyer Root for \$339,000.00 Cash.John works for Remax Associate Brokers, Camano Island. Closing date was yesterday 6/26/2017 Thanks again for all you do, I really enjoy working with you.

Greatest real estate sales experience ever!How can I help further your success? If you have potential users that want to speak with a past customer about actual experience, I am happy to be a reference. If I remember correctly you also serve Arizona, yes? Stacie, Jerry and I want to thank you so much for your help and guidance in our home sale. You are a true professional and your service goes above and beyond. We couldn't have done it without you!

Cheryl Isen 11/16

Stacie was wonderful. My husband and I wanted to DIY the sale of our home as we do so many other things in life. We used the flat fee MLS posting to put our house on the market. The process is very straightforward. After receiving a flood of responses and knowing we were going to receive multiple offers, we decided we needed a bit more help. Stacie offers other services and helped us respond to offers and get into contract with our chosen buyers for a small fee. She has more than 20 years of experience as a Realtor and she was helpful with any questions we had. Very responsive to phone calls, emails and texts. I completely recommend this as a large step above the FSBO sign in the yard route. I would definitely use her services again. [Zillow review 11/16](#)

She offers other services on an ala carte basis, but I just needed the basic MLS listing. She rapidly answered all my questions, and made all necessary changes to the listing within a short time. Highly recommended!

Good afternoon Stacie;

Just wanted to let you know that the 4plex closed yesterday and it funded today. So I guess were all done. Is there anything else that I need to do to complete your paperwork or anything that I need to finish? I still have to inform my tenants about the new owner and take care of final bills. Other than that I'm done on my end. Let me know if you need me. Thank you for all your help, I will definitely use your services again when I sell my remaining properties. Again I thank you!!!  
Stuart Campion 9/15

Thx Stacie! The flat rate listing worked well for us! I'm curious...how long have you been doing this?...and were you a "normal" real estate agent before getting into flat rate listing?

Thx- Kim & Oscar Rojas 7/15

Hi Stacie, I just now gave possession to the buyer. Thank you so much for helping me with this process. It was a stressful journey, and I had my doubts we would reach closure. Your advice and patience is deeply appreciated. I hope you got some more business from my listing. All my friends now know about you, so hopefully someone does call you for their sale. And hopefully you got some good internet exposure too.

Keep in touch. Cheers,

Satish Prasad 9/14

It was not sweet on my side to sell house for \$705000 and ask you for a \$20 bucks discount. Was just joking. Your service is the best and I would pay more. Be proud of it. I am Very grateful to you dear Stacie.

Alex Kocharov 9/14

Stacie,I just wanted to thank you for the great service throughout the listing and sale of my property. For the rate I was very impressed with how quick you were with responses and changes to the listing. If I meet anyone who wants to try a FSBO I will definitely recommend your services. Thanks,

Chris Jensen 9/13

After using NWRealty last year I feel qualified to say that yours has been a vastly superior customer service and I wanted to thank you for it. *A few comparison thoughts regarding your service:* Your price was \$15. lower. Service was effortless, fast and emails were returned in a very timely manner. Problems were solved, instead of being passed back to me for more paperwork and delays. NW Realty provided only one photo. NW Realty was for one year, but I expect 6 months listing time will be enough anyway. I could not find a 1 year service in this State. Thought you deserved some feedback. Thanks!
